

An Orthodox Workshop

Traditional Casket Designs

www.AnOrthodoxWorkshop.com

The All-Wood Casket was designed for Green Burial cemeteries where no metal is allowed. Just your hands are needed to assemble this beautiful casket

Mahogany

Our caskets measure 72" x 22½" x 14" (internal dimension) and feature the Trisagion prayer carved around the outside.

Dovetail joinery makes for easy assembly and great strength .

Cherry

Inlay hardwood cross comes in different colors and styles

Walnut

The dovetail joinery casket w metal fasteners needs only a screwdriver to assemble (cordless drill recommended)

Maple

Oak

The dovetail joinery casket w metal fasteners is also available in pine. No painting or inlay cross keeps the cost on this pine casket low.

The Pine Box Casket is designed to be the lowest cost wooden casket, and the sizes are customizable. Carvings and cross inlay are available but quoted separately.

Pine
36W x 72L x 16.5H

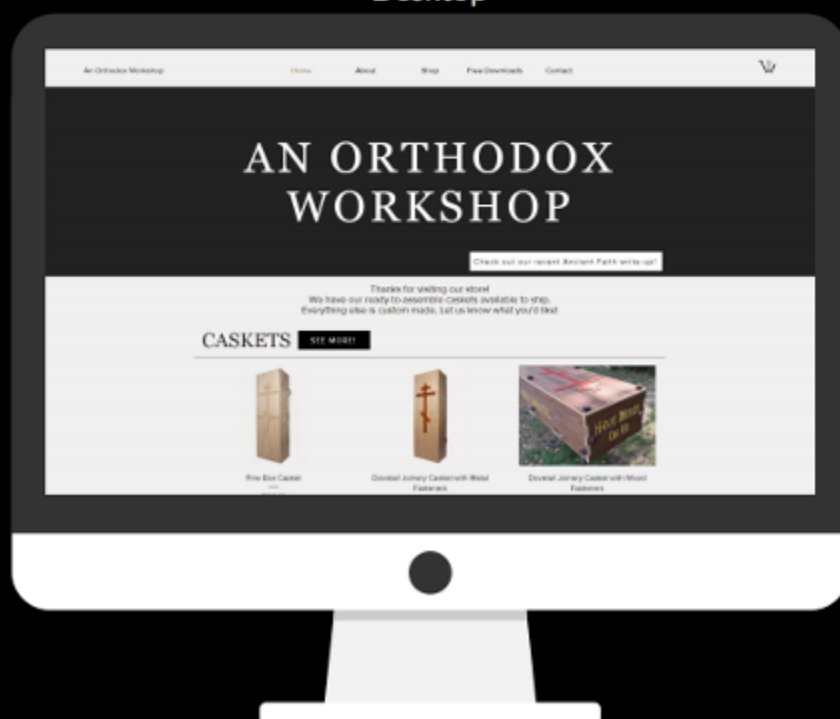

Our flat-packed casket design allows for reasonable shipping, convenient storage, and easy assembly.

Please consider grouping orders so that we ship 5 caskets on a pallet, which greatly reduces the cost of shipping. Email, call or text for more information.
